**Additional comments are also appreciated:**

Dustin thank you so much for making our wedding reception a great experience for both us and our guests. We got MANY compliments on what a great job you did. You did a wonderful job coordinating everything from the grand march to the last dance. You were very professional, yet also had the perfect level of interaction with the crowd. The Love Story was a great addition right before the first dance. It made it more personal for both Ryan and I and →

Our guests. I'm so glad we found you. If you ever need a referral we'll give you a great one! Thanks for everything!
