Additional comments are also appreciated: I was very confident that Dustin would do an awesome job - I liked that I didn't have to worry about anything. He made sure that everything went smooth.

Almost everyone was out on the dance floor and we didn't want the night to end!

Dustin -

Thanks again for everything! I got so many comments about how awesome you were! And thank you for talking me into doing the grand march BEFORE we cut the cake :)

Everyone had a great time and if anyone asks me who they should get for a D.J. I will not hesitate to give them your name. Thanks again
