**Additional comments are also appreciated:** We were very pleased w/ Spirit Unlimited & Dustin, our DJ. Dustin helped us out just one week before our wedding and brought us the perfect entertainment for our crowd just by getting to know us over the phone. We have had so many compliments about the fun & great music & time ~~that~~ our wedding reception. Not only did Dustin personalize his services to our likes

he got to know the crowd & what everyone expected.

Our grand entrance to the reception is most memorable & helped to let the crowd know about the wedding party and the good time to come for the night.

Thank you again for all that you did, we couldn't have had the perfect reception we had without you!

Hi Dustin,

Joe and I cannot thank you enough for making our wedding night perfect! We enjoyed the whole evening and have heard nothing but compliments about you and your services. Everyone loved the grand entrance, we can't wait to see the footage when our videographer has it completed. We have referred you to many people, I wouldn't doubt you will get some phone calls. Thank you for all of your work and helping us to make our wedding day perfect. You helped us through a stressful situation, and no one could tell (even though many people know what happened to us since it's a small town) that we put the whole dance together in a week. Also, Joe and I were wondering about the pictures we saw you taking, would it be possible to share them with us, we would love to see your angle of the dance.

Have a great day and thank you again,

Arianne and Joe Holicky
